Definitions

- Table 1 Total Number of 60+ Loans (MBA Methodology)** – Total number of (all) loans that are 60 days past due at month end based on MBA Methodology excluding loans that are currently in Pre-Sale foreclosure.
- Table 2 Total Foreclosure Starts** – The total number of loans referred to an attorney to initiate the legal process of foreclosure during the month.
- Table 3 Completed Foreclosure Sale** – The number of loans that went to foreclosure (sheriffs) sale during the month.
- Table 4 Formal Repayment Plans Initiated** – Number of loans where the customer accepted a formal, written repayment plan during the month, regardless of whether the customer performed under that plan. The plan offered to and accepted by the borrower in writing that triggers an active loss mitigation status. *Informal plans should be excluded as well as HAMP Trial Period Modifications.* MSP clients can use the DLQ2 plans set during the month or LMT3 utilizing step code information for the approval.
- Table 5 Modifications Completed (Non-HAMP)** – Number of (*delinquent and current*) Non-HAMP modified, renegotiated or restructured loans, *regardless of performance to date under the plan during the month* . Anything that alters the terms of the contract between the borrower and the lender that assists the borrower to maintain the home and that the loan is retained.
- Table 6 Active Formal Repayment Plans Inventory** – Number of loans where the customer accepted a formal, written repayment plan, regardless of whether the customer is performing under that plan. Informal plans should be excluded. All formal repayment plans that are currently active in Loss Mitigation should be reported *excluding HAMP Trial Period Modifications* . MSP clients can use the DLQ2 plans set during the month or LMT3 utilizing step code information for the approval.
- Table 9 Total Number of Loans Serviced** – Active 1st lien mortgages (all loans) by state at month end.
- Table 10 Other Retention Plans Completed** -- Number of loans where the customer completed the terms of other retention plan such as; FHA Partial Claim, FHA Secured, VA Refund, Stipulated Repayment / Stip-to-Mod, Forbearance Plans, MI Claim Advance, Reaged / Deferred / Extended, FNMA Home Saver Forbearance, Payment Reduction Plan, or other GSE-sponsored forbearance program.
- Table 13 Modifications Completed for New P&I Payments Reduced at least 10% or greater (Non-HAMP)** – Number of (*delinquent and current*) Non-HAMP modified, renegotiated or restructured loans, *regardless of performance to date under the plan during the month for all New P&I Payments Reduced at least 10% or greater* . Anything that alters the terms of the contract between the borrower and the lender that assists the borrower to maintain the home and that the loan is retained.
- Table 14 Short Sales Completed** – Number of mortgage allowed to pay off paying less than the contractual principal balance.
- Table 15 Deed-In-Lieu of Foreclosure** – Number of mortgages satisfied by the acceptance of the properties Deed-in-Lieu of proceeding with a foreclosure action.

Table 1 - Delinquency Data

The columns below show the adjusted monthly average number of 60 days+ delinquent loans by state reported by HOPE NOW servicers.
